

## Waverly Free Summer Meal Home Delivery

The last day you will receive daily meals will be Thursday, June 18. On that day, you will receive meals for Thursday and Friday.

### NOTICE: SUMMER MEAL DELIVERY

Beginning Wednesday, June 24, and continuing through Wednesday, August 12, we will conduct a weekly home delivery of meals for one week for your child, aged 18 and under. This will include 7 breakfasts and 7 lunches.

**PLEASE NOTE:** IF the summer REACH and Recreational Program take place, and your child attends, we will compare lists and remove their names from the list of weekly deliveries. Students attending these programs will be fed breakfast and lunch at the program site.

If you would like to have these meals delivered to your home each Wednesday, you must go to the school website or the Waverly school app and click on the link to register for this service. It is a simple form and only needs to be completed ONCE. The deadline to complete the form will be **Sunday, June 21.**

If you miss the deadline, you can still fill out the form to receive meals in the following weeks if it is completed by the Sunday before the Wednesday delivery.

We do recommend that you are home to bring your delivery inside as soon as it arrives, or have a cooler available outside your door for your food to be placed, as there will be milk and other perishable items that will need to go in your refrigerator or freezer immediately.

If you want to skip a week or cancel your deliveries, please call Ryan Alo at 565-8101, Ext. 1006 as soon as you can. You may also email him at [ralo@gstbooces.org](mailto:ralo@gstbooces.org). If you have any questions, you may also call or email him.
