

WHEN IN DOUBT... CHECK IT OUT!

The Waverly Central School district is committed to listening to suggestions, answering questions and addressing concerns, complaints or issues in a timely and efficient manner. Therefore, issues must be handled closest to the source by contacting the person responsible for the various areas of school operations. He or she has the most detailed information about his or her area of responsibility and is most prepared to offer assistance.

If issues are not resolved, please work through the chain of communication (below) as needed. Again, if you have questions pertaining to the school district or about your child's work, please do not hesitate to call.
